## **Changes to Nomination Process for Office Holders 2026**

The process and requirements for the nomination and filling of Warden and Parish Councillor roles is changing in 2026. Safe Ministry ('SM') is the Sydney Diocese requirements to protect vulnerable people. The ordinance that governs the management of parishes has changed and applies to all parishes, not just Epping.

**Background** - As you will be aware from the media, there is unfortunately an ongoing number of reports of inappropriate behaviour towards vulnerable people including children, the elderly, those with disabilities, and women across society, both historical and current. The Diocese, in response to the Royal Commission into Institutional Responses to Child Sexual Abuse, instituted policies and guidelines to protect all people within the Church, in particular children and vulnerable adults. SM requirements are in addition to any statutory requirements such as mandatory state legislated Working With Children Checks.

**Parish Response** - The Parish adheres to SM requirements. We have our own processes; a SM Representative, Sarah Weaver; you will see the regular notices reminding people of how to report issues. Within the Parish every ministry/leadership role, both ordained and lay, needs to be assessed and the person needs to complete and meet varied requirements. Those working with children have the most significant requirements.

This year the Diocese required all Wardens and Parish Councillors to undertake and complete SM training by year end to ensure that all leaders understand the risks and requirements to ensure that we provide a safe environment.

**Changes for Annual General Meeting in March 2026** - The changes to the ordinance means that at the Annual General Meeting ("AGM") in March 2026, most office holders will need to have completed SM training **before** they can be nominated for election. This is mandatory, the only exception is for appointments made by the Rector (which are made after the elections, and sometimes after the AGM). These people will have a short period in which to complete requirements.

The Annual General Meeting for the Parish is **Sunday 22 March 2026** after the 10am Service.

**What Does This Mean For People Considering Nomination?** For people who are already undertaking some form of leadership or ministry, you may have already completed the required training. If in doubt, check with Sarah Weaver. If SM training has not been undertaken then you will need to complete the training before you can accept a nomination for a role. The training is not onerous. There is several hours of online units to complete, which you can do at home at your own pace, followed by a webinar.

You are encouraged to consider **NOW** ways that you can serve the Parish. Too often we leave this thinking and discussion until the new year, in the weeks leading up to the AGM, but we need to be doing this earlier and perhaps even undertaking the training, even if you may decide not to nominate. We want a Parish Council that is representative of the whole Parish, in age, diversity, skills, experiences, etc. We need to have new people coming onto Parish Council in these important roles to bring fresh ideas as well as allowing others to take a step back.

We need to ensure that we are meeting our statutory obligations, but more importantly that our Parish is a safe place for all people, especially the young and vulnerable, reflecting the love of Christ to all. May I ask you to be giving this prayerful consideration for yourself and others whom you feel would make a contribution to the leadership of the parish. If you have any questions or concerns, please speak to Fr Phil, Sarah Weaver or one of the Wardens.

Pray for all of us in our ministries, and that we may each contribute our skills, talents, time and finances as we are able, for the good of the parish and the furtherance of God's kingdom in our parish and the community around us. May we ask for God's guidance and help to listen to his voice as we consider who he is calling to serve as office holders in the parish in the year ahead.

**Pray for those from our Parish who are in need** may know the comfort of God's healing grace: the lonely, those who are ill, undergoing surgery, or in pain, and those who are confused or fearful. Give thanks for all who care for them.

**Pray for peace in our world** - Pray for all those who are suffering displacement, hunger, fear, and loss as a result of war, violence and conflict. Pray for the children growing up in places where they do not feel safe, where there is no chance for regular schooling and where they have to witness deprivation and suffering. Pray for strength for all medical personnel and humanitarian workers. Pray that the leaders of nations will work for an end to war.

**Aboriginal Sunday** - Pray for justice and the flourishing of Aboriginal and Torres Strait Islander peoples. May we take time to consider the theme for Aboriginal Sunday 2026 "Be Strong and Courageous" (Joshua 1:9). Aboriginal and Torres Strait Christian Elders are urging the Church to stand boldly and advocate for justice, healing, and reconciliation. Pray that we may be listening deeply, praying with hope, and taking action for justice and the flourishing of our Aboriginal and Torres Strait Islander sisters and brothers.

**Pray for our Country, Australia** - pray that in our country we can live in peace and harmony, acknowledging and celebrating the richness of the diversity of people here representing the races of the world; may we walk together in friendship and faith, pursuing justice and flourishing for all peoples, and for all creation. May we appreciate, preserve and treasure the beautiful and bountiful land in which we live.
