## **Keeping in Touch:**

If you are not yet on our Parish Roll, or you have changed your address, email or phone number, we would like to keep our parish records up to date. Please complete one of the cards in the brochure holders on the back of the pews and hand it to the Duty Parishioners or the Rector at the door, or send an email to the Parish Office.

## New Congregation

Fr Phil with the Wardens and Parish Council are very pleased to advise that we are establishing a Chinese language congregation. Fr Simon Pei and his wife Lillian and their children will join the Parish, with Fr Simon leading the new congregation.

The Parish has recognised for many years that there is a large group of Mandarin and Cantonese speaking people in our community. According to Australian Bureau of Statistics data on the Epping area over 40 per cent of people living in Epping identify a Chinese cultural ancestry; 25 per cent were born in mainland China or Hong Kong; and 35 per cent speak either Mandarin or Cantonese at home.

Those people are of course welcome to come to our existing services, but our services are not always ideal if English is not your first language. By commencing this new congregation, we will be able to better reach out and connect to a broader group of people who live in and around Epping.

This new congregation and the structure will be similar to our Indonesian congregation EpIC, which in a very short time has successfully settled into the life of the Parish.

Fr Phil, the Wardens and Parish Council are all agreed that any congregation that is established needs to be part of the broader Parish community and not just a hall user.

Fr Simon is a Sydney ordained Anglican Priest and has worked with or led a number of Chinese congregations. He is also a chaplain with the Mission to Seafarers but will dedicate a number of days each week to the Parish.

The new congregation will meet in the lower hall at 10:00 am for a service in Mandarin. There will be some weekday activities in Cantonese. Children will be welcome to attend our existing Sunday School. The intention is that much like EpIC (the Indonesian congregation) this new congregation will be financially self-supporting.

On a Sunday we will have an opportunity to come together, English language, Indonesian and Chinese congregations for a shared time of fellowship at morning tea.

We also want to be able to hold combined services and activities at various times of the year. These may take a slightly different form to what we are used to, so that we can welcome and reflect the great diversity in our community. There will be things that we need to think about differently and what works with one group may require a different approach for another.

This exciting opportunity will truly make St Alban's an embracing city on a hill. We are thankful that God has answered our long-time prayers by making this opportunity a reality with Fr Simon and Lillian and we welcome them to our community.

Fr Phil and the Wardens.

## **Renewed Mission**

In recent weeks we have had new people and congregations join our church expanding our community at St Alban's. One of the key goals is that we move forward together. To enable us to do this effectively, we are revisiting our vision and mission language, so that it might be clear, memorable and easily translatable across the languages of our new congregations.

In the past, our vision which has served us well was to be “a city on a hill”. We are working on new wording to clarify our priorities and provide focus and direction.

As part of this process, we are articulating our mission which we have captured into three simple words:

## Gather

## Grow

Go

Our mission defines the “How” we will achieve our vision, and these three words help us define our three goals and activities that we want to achieve as we church together.

Some of the intentionality of the language is that:

- We want to capture the Biblical activities that God's people are called to do
- We want to use embodied language as we think about ourselves as both the Body of Christ and the Family of God.
- We want to use phraseology that even our Sunday School children can remember, use and understand.
- We want to establish a framework to explain what it means to be a Disciple-Making Church and what we want for ourselves and one another as we follow Jesus Christ.

Over the coming weeks in February, I will be going deeper into the Biblical Foundation of these words at our 8am and 10am services.

Through the next 3 weeks I will be unpacking/exploring,

- We in the Bible as God people are called to Gather together with God's people around God
- As Christians, we are called not to stay the same, but called to Grow, in our Love for God and our love for others
- Jesus in Matthew 28 leave us with a specific responsibility to Go and make disciples of all nations.

To ground these ideas in your minds let me for now give you the mental picture of a tree. The root system, the trunk and the canopy.

The root system describes the activity of Growing deeper in our understanding and love for God and the roots hold up the tree. The trunk symbolises the Gathering point of the tree which is the people of God, it gives it the strength and the structure. Finally, the Canopy symbolises the activity of Go out into God's world and the embodied ambassadors of the Gospel or to put it another way to "Go in peace to love and serve the Lord"

I look forward as we Gather as God's people to working through with you these ideas and considering our future as a church as we work in lock step with one another, glorifying God in all that we do and say.

The Rector

## **Mission of the Month** **Anglicare Chaplaincy**

Alongside its wide-ranging work with people in need, Anglicare provides chaplains and chaplaincy services throughout Sydney and the Illawarra - in hospitals, prisons, mental health centres, aged care services, and in the community, ministering to people in need of personal and spiritual support. Some funding support is given by the government for these ministries, but this falls far short of covering the actual cost.

Our Mission of the Month encourages you to support these ministries with your gifts and your prayer, and perhaps to consider the opportunity of serving as a volunteer, working in this ministry of listening and loving support. Fr Paul Weaver is a former Chaplain at Concord Hospital and can tell you more about this ministry.

Some of us have benefited from the ministry of Chaplains at Anglicare Retirement Villages, as well as at hospitals. For further information about Anglicare Chaplaincy, please refer to the display on the narthex board or visit website <https://www.anglicare.org.au/community/chaplaincy/>

There are a few ways you can financially support the Anglicare Chaplaincy ministry. Either use the 'Beyond the Parish' side of your weekly offertory (please write 'Anglicare Chaplaincy' next to the stamped date) or use a plain envelope marked 'Anglicare Chaplaincy.' Alternatively, transfer funds electronically to the St Alban's account - please use the tag 'Anglicare Chaplaincy', or donate funds directly at <https://www.anglicare.org.au/donate> - use the pull-down menu under *Area of Support* and click on either *Chaplaincy – Hospital and Emergency* or *Chaplaincy – Prison and Community*.

### **Lenten Ecumenical Service**

**Thursday 19 February 11am at West Epping Uniting**

Each year St Alban's with the Uniting Churches of Epping and West Epping and the Catholic Parishes of Epping and Carlingford join to host an Ecumenical Service, followed by light refreshments, for Lent. This year the service will be held at West Epping Uniting Church, Cnr Carlingford Road and Orchard Street Thursday 19 February at 11am.

Please invite your friends and neighbours - this service is not just for the Anglican, Uniting and Catholic church members, it is an opportunity for any denomination or none - a time for reflection at the commencement of Lent.

## **The Parish Magazine**

The latest magazine, February to April 2026, is now available. This is published every three months. The Parish Magazine records recent events in the parish, gives details of parish activities and publishes articles of general interest and articles which set out opinions on a range of matters the subject of discussion within the Anglican Church community.

Would you like to contribute to the next edition of The Parish Magazine? Please contact the editor Julie Evans via email [julie.evans@ihug.com.au](mailto:julie.evans@ihug.com.au) or via the Parish Office. Photographs of Parish events are also welcome.

## **Changes for Annual General Meeting in March 2026 –**

Changes to the ordinance means that at the Annual General Meeting (“AGM”) in March 2026, most office holders will need to have completed Safe Ministry training **before** they can be nominated for election. This is mandatory, the only exception is for appointments made by the Rector (which are made after the elections, and sometimes after the AGM). These people will have a short period in which to complete requirements. More information is on the noticeboard.

The Annual General Meeting for the Parish is **Sunday 22 March 2026** after the 10am Service.
